PROFESSIONAL SUMMARY

AI evaluator and reviewer with 1,000+ model evaluations and contributor audits. Compare AI responses, follow detailed instructions, check supporting evidence, and explain what worked and what needs to change. Use ChatGPT for research, writing, and workflow testing. MBA in Finance with hands-on operations experience and completed training in AI agent evaluation.

RELEVANT SKILLS

Evaluation: Side-by-side comparisons, rubric-based scoring, task completion checks, instruction following, attention to detail, source verification, and clear written feedback.

Tools and work habits: ChatGPT, Excel, Google Sheets, Slack, GitHub, Python fundamentals, documentation, and independent remote work.

PROFESSIONAL EXPERIENCE

MERCOR

AI Evaluator & Generalist Expert | Remote May 2026 to Present

- Evaluate AI outputs across business, finance, research, and generalist tasks using detailed project instructions and scoring rubrics.
- Check accuracy, completeness, reasoning, and usefulness; identify missed requirements and unsupported claims.
- Document findings and write concise scoring explanations so another reviewer can follow the decision.
- Work independently in remote, asynchronous workflows while maintaining consistent review standards.

HANDSHAKE AI

Generative AI Research Contributor & Reviewer | Remote Dec 2025 to Present

- Compare model responses side by side and explain which better completes the task and follows the instructions.
- Advanced to reviewer responsibilities, auditing contributor prompts, evidence, error classifications, and final answers.
- Review text, documents, charts, images, audio, video, and multi-turn conversations for quality and consistency.
- Verify sources, distinguish model failures from flawed tests, and give specific feedback on needed corrections.

ATHLETEOS

Founder & Product Builder | Remote 2026 to Present

- Built and deployed an AI-assisted career-transition product with resume, career-path, job-fit, and outreach workflows.
- Used AI assistants to test workflows, compare results with user needs, and refine prompts and outputs before release.

SEASONAL HOCKEY PROGRAMS

Rink Director / Hockey Operations | United States 2026

- Coordinated schedules, officials, scorekeepers, rosters, and game-day logistics; resolved issues with coaches and facility staff.

EDUCATION

Lindenwood University | Master of Business Administration, Finance 2025

Lake Superior State University | B.S. Business Administration 2024

International Business | Minor: Economics & Finance
